**DEPORTEES:** The government of India has airlifted 458 deportees. These deportees have been quarantined in government quarantine centers in the state.

**Till date 212 deportees have tested positive for covid-9 and are being treated.**

**MIGRANTS:** Large number of migrants are returning from various other states of the country. These migrants are being home quarantined and monitored by the district authorities. Symptomatic migrants are tested. Majority of the migrants are arriving from Maharashtra, Tamilnadu, Madhya Pradesh, Orissa, Bihar etc.

The general public are requested to inform the local authorities in case they identify any new persons, migrants who have newly arrived in the towns and villages.

To ensure that the migrants strictly adhere to the home quarantine guidelines.

**Till date, 189 migrants have tested positive for covid-19 and are being treated.**

## **ADVISORY IN VIEW OF RELAXATION OF LOCKDOWN**

The lockdown has been relaxed since the 16<sup>th</sup> May 2020. It is being observed that there is a lot of mobility and movement of people from all walks of life and of all age groups. People are travelling across the state and some of them are not following the basic preventive measures like wearing a mask, maintaining safe physical distancing and overcrowding. The lockdown guidelines and preventive strategies are to be strictly followed as given below.

**Vulnerable Age Groups:** Less than 10yrs children and above 60yrs old people are to avoid going outdoors. They are to stay indoors.

**Use of Face Masks:** Please do not go out of the house without wearing masks. Face masks are the first line of defense against Covid-19

**Physical Distancing:** Maintaining a distance of more than 6ft between people is essential. The citizens who go out for purchasing groceries and other essentials are to maintain safe physical distance.

**Workspace:** The workspaces are to be provided with hand washing facility and sanitizer. Ensure adequate physical distancing between employees.

**Travel:** The citizens are requested to avoid unnecessary travel. In case it is unavoidable, they shall ensure all safety measures- use face masks, frequent hand wash, use of sanitizer, safe physical distance etc.

**Seek Medical care:** In case of any Flu/ Influenza like symptoms such as cough, sore throat, running nose, fever, difficulty in breathing, body pains and headache, please report to the nearest government health facility and seek the required health services without any delay.

**Morbidities:** People with morbidities like Hypertension, Diabetes, cardiac illness, Chronic kidney disease, Chronic obstructive pulmonary disease and any other chronic illness are requested to stay indoors and avoid any kind of travel.

**STAY HOME...**

**STAY SAFE...**
