NO: PATIENTS ON OXYGEN/CPAP	319
NO: PATIENTS IN WARDS	359
TOTAL NO: PATIENTS	803
NO: VACANT BEDS	1,087

STATUS OF COVID-19 POSITIVE CASES IN THE STATE

STATUS OF ACTIVE POSITIVE CASES

INFORMATION AND APPEAL TO THE PUBLIC

INFORMATION: Patients with moderate to severe symptoms, with COVID positive report should go to Gandhi Hospital where the Government has made elaborate arrangements for treatment and management. Patients with symptoms but not yet confirmed and requiring COVID-19 testing should go to District Hospital, King Koti, Fever Hospital and Chest Hospital.

It is informed that the Government has made elaborate arrangements for treating COVID-19 patients. Sufficient beds are available in Government hospitals. Based on the clinical requirements, beds will be provided and treatment will be given free of cost in Government hospitals. Sufficient quantities of personal protection equipment (PPE) and medicines are available in hospitals.

APPEAL: THERE IS NO NEED FOR THE PUBLIC TO PANIC.

FOR TELEMEDICINE, PLEASE ACCESS THE HELPLINE NO- 180059912345

The guidelines stated below are to be strictly followed.

Vulnerable Age Groups: Children less than 10yrs of age and elders above 60yrs of age are to avoid going outdoors. They are to stay indoors.

Use of Face Masks: Please do not go out of the house without wearing masks. Face masks are the first line of defence against Covid-19

Physical Distancing: Maintaining a distance of more than 6ft between people is essential. The citizens who go out for purchasing groceries and other essentials are to maintain safe physical distance.

Workspace: The work spaces are to be provided with hand washing facility and sanitizer. Ensure adequate physical distancing between employees.

Travel: The citizens are requested to avoid unnecessary travel. In case it is unavoidable, they shall ensure all safety measures- use face masks, frequent hand wash, use of sanitizer, safe physical distance etc.

Seek Medical care: In case of any Flu/ Influenza like symptoms such as cough, sore throat, running nose, fever, difficulty in breathing, body pains and headache, please report to the nearest government health facility and seek the required health services without any delay.

Morbidities: People with morbidities like Hypertension, Diabetes, cardiac illness, Chronic kidney disease, Chronic obstructive pulmonary disease and any other chronic illness are requested to stay indoors and avoid any kind of travel.
